Dear Mr. Jury:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are, therefore, compelled to request that you sever any relations that you may have with the Boy Scouts of America. A refund of your registration fee is enclosed.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not meet the high standards of membership which the BSA seeks to provide for American youth.

If you wish to have this decision reviewed by a BSA Regional Review Committee, please write to the Regional Director within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be reinstated. The procedures for review of this decision are attached.

Sincerely,

 Paul R. Davis, Jr.
 Scout Executive

2. Upon the receipt of your written request, a committee will be appointed to review the situation.
3. You may attend the review hearing, but it is not adversarial in nature and neither the committee nor you will be represented by legal counsel. If you wish, you may be accompanied by no more than two other individuals if their testimony might assist the committee in discovering the truth and arriving at a correct decision.

I returned a call to Prosper Bowers, Frederick, Maryland Post. Larry B. Jurey was being investigated for child molesting. Before police could get to him, he checked himself into a psychiatric clinic. His doctor called the State Police because Jurey wanted to clear his mind of guilt. He "claimed up" when being read his rights. Before he did, he stated that he had protested a number of youngsters - some of which were in Scouting.

I did a computer check (see above). Called Prosper Bowers back and gave him this info. He is going to followup with Harris and Constock.

Prosper Bowers said he would keep us informed.
