Please send us a completed confidential record sheet and we will then place him on our permanent file. If further information becomes available, we can always re-evaluate this decision.

PERSONAL AND COMPIDENTIAL

SUBJECT: LIONARD MASSEY

Dear Terry:

This confirms our telephone conversation of December 9, concerning the registration of Mr. Leonard Massey. At this time, I feel you have gone the correct direction and that Mr. Massey should not be registered with the Boy Scouts of America.

We really need some information concerning the original charges of child abuse and also the final disposition of this situation. A letter from the National Center for Child Abuse would certainly help in clarifying this matter.

Please keep me informed of any change in the status, but we will firmly back your decision not to register Mr. Massey until this has been resolved.

Sincerely,

Paul Ernst, Director Registration Service

Dear Paul:

This is a followup to my letter dated October 4, 1988 concerning the removal of Leonard Massey as Scoutmaster of Troop 975 (copy enclosed).

Mr. Massey has requested reinstatement as Scoutmaster for this troop. The head of the Bethesda Volunteer Fire Department is supporting his reinstatement. I asked Mr. Massey to complete a new adult leader application before we can make any determination. I am enclosing a copy of the application. I sent the original back to the institution by my district executive.

He proclaims his innocence in the matter and says that the record with the National Center for Child Abuse is in error. He further states that the ACLU is getting involved to clear his name.

My response, thus far, has been that I can not judge guilt or innocence. As long as the record exists indicating previous child abuse, I can not approve registration as an adult leader.

Please advise me on our proper position.

Sincerely

Terry W. Crawford Scout Executive

Dear Leonard:

I have, on this day, received your application for reinstatement as Scout-master for Troop 975. I have done two things: sent a copy of the application to our National Registration Service for review and sent the original, by Ken Stanberry, to Alva Jeffus for signature as the head of the sponosr institution.

I can not judge guilt or innocence. At this point, as long as the record exists with the National Center for Child Abuse, we must await review by our national organization before approval can be made.

I must ask that you provide no leadership, nor even contact, with Troop 975 during this review phase. I will notify you and the Bethesda Volunteer Fire Department as soon as I get a response from the National Office.

Sincerely,

Terry W. Crawford

PERSONAL AND CONFIDENTIAL

SUBJECT: Leonard Hassey

Dear Terry:

Thank you for your letter of October 4, concerning the above named individual. We also appreciate the rapid action of councils when there is any concern related to a leader.

I am enclosing a Confidentia! Record Sheet which I would like to have completed with as much information as you have available. This will enable us to identify Mr. Massey anywhere he might attempt to locate and register. You indicated that you are trying to get the disposition of the case. We really would like to have this and any other documentation that is available. Newspaper clippings, copies of the court record, or other material would be most helpful in completing our file.

Thanks again for your help in protecting the youth of America.

Sincerely,

Paul Ernst, Director Registration Service

Dear Paul:

On this date, I instructed my registrar to delete from computer records the Scoutmaster for Troop 975 sponsored by the Bethesda Volunteer Fire Department in Camden, AR.

The Troop Committee asked him to resign because of information they received that indicated he had been arrested 6 years ago in Little Rock for child abuse. I have communicated the information known to our Council attorney and President. The attorney is trying to discover the disposition of the case. The Scoutmaster did not protest his removal by the committee.

The personal information that I have is as follows:

Leonard Massey

Birthdate 1-17-43

Camden, AR 71701 Employed by:

At this time we have had no complaint or suspicion communicated to us concerning his work with Troop 975. If any further significant information is found, I will keep you posted.

On another matter, our computer is down. We can not access the TX10 software. You will receive a month end September transmission as soon as we are up and running again.
