Dear Paul,

This letter is in reference to our phone conversation concerning Mr. Bill Parker, who is a leader in the Great Smoky Mountain Council. I will relate to you my conversations with Scout [REDACTED] to the best of my ability.

Mr. Parker, serving as Scoutmaster of Troop 58, picked up [REDACTED] a Scout in his troop to go and pick up some items for a troop activity. At this time Mr. Parker approached [REDACTED] in regard to sexual activity. [REDACTED] stated that he was not interested and was not that way. Mr. Parker then stated that if he changed his mind to let him know, and to keep this conversation between the two of them. Mr. Parker did question [REDACTED] in regard to another member of the troop, but that was as far as it went.

To the best of our knowledge, these are the only two instances regarding this matter. No physical contact, just propositions.

If you have any future questions, please call on me.

Sincerely,

Jimmy Williams
Scout Executive

Mr. Billy Parker

[REDACTED]
Strawberry Plains, TN 37871

Dear Mr. Parker:

After careful review, we have decided that your registration with the Boy Scouts of America should be denied. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America. A refund of your registration fee will be forwarded at the first of December.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to refuse registration whenever there is a concern that an individual may not meet the high standards of membership which the BSA seeks to provide for American youth.

If you wish to have this decision reviewed by a BSA regional review committee, please write to the regional director within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be reinstated.

Sincerely,

Jimmy Williams
Scout Executive
