SUBJECT: John F. Powers

Dear Paul:

You are correct, this is a very strange case!

As you will note by the attached letter from District Executive John Rice, this situation has been complicated by the fact that Mr. Powers was called up by the U.S. Army, and has not yet returned.

There is some doubt, also, about the validity of the charges made against him. Yet in Rice's interview with him, and in the Powers letter to Rice, there is no denial of the fact that Powers violated BSA leadership guidelines.

The Chairman of the Troop Committee is a Police Detective. We are getting our information directly from him. As of June 19, 1991, we have nothing further to add.

Sincerely,

James L. Roberts
Scout Executive

Jim:

Reference John Powers

The District Attorney's office is waiting to prosecute this matter until Mr. Powers returns from active duty with the Army. He is currently stationed in California, and still has a chance of being sent to Saudi.

My contacts tell me that he has been home once on leave for about ten days. Other than that, he has not been in the area, and a warrant has not been sworn.

It appears that when he does return, charges will be filed then either dropped or reduced. The boy's family has moved from the community they were in and changed schools.

When I spoke with the detective, he indicated that there have been some story changes but was not yet specific. The file is not available to us until the case is either dropped or resolved. At that time we will have full access to the files.

Dear Jim:

Periodically, I follow-up on all the cases which are not complete. This one has now come to the top.

I would still like more information concerning Mr. Powers. This whole case is very peculiar and I personally do not understand all the aspects.

Was the boy that was playing with the stethoscope completely naked? I believe I need some information such as this to make certain we have a strong file, which will enable us to refuse registration anywhere in the country.

We would also like to know if any charges had been filed against Mr. Powers.

Thanks for your help in completing this file.

Sincerely,

Paul Ernst, Director

SUBJECT: JOHN F. POWERS

Dear Jim:

I appreciate the material you recently sent concerning Mr. Powers. This is most helpful as we set up a file, which will lead to refusal of registration in the future.

We would like to know if any legal action is to take place related to this matter. If so, we would like to have the outcome of this legal action for our file.

This whole case is very strange. Are we really saying that Mr. Powers had this boy completely undressed while they were using the stethoscope?

Thanks for any additional information you can supply which will give us a solid case.

Sincerely,

Paul Ernst, Director

Re: John Powers

Date: January 10, 1991

This morning, I spoke with Ed Liebrecht, CC of pack 160. Last night he visited Mr. Powers. Based upon the information he gave me today and at his request, I believe that we are now obligated to suspend John F. Powers from the Scouting program.

Yesterday, (1-9-91) Mr. Powers was visited by detectives from the Vice Squad. He relayed parts of the conversation to Mr. Liebrecht.

The youth in question was picked up from his home and transported to the Powers' residence to play with Mr. Powers' [redacted] by John Powers. When they arrived at the Powers' residence, the family was not home. Mr. Powers gave the boy a tour of the home. They ended up in the parents' bedroom where the two sat on the bed and played a Nintendo type game. After a few minutes, the boy noticed a stethoscope accross the room and asked about it. Mr. Powers asked the boy if he wanted to listen to his (own) heart beat. Mr. Powers helped him listen to his heart, then to his belly. Then, according to Mr. Powers, the head of the stethoscope dropped and when he reached for it, it touched the tip of the boy's penis. Mr. Powers added "I didn't fondle him."

They then went downstairs and a few minutes later the family returned. The boys played for a short while before the visiting boy had a case of diahrea. Mr. Powers then took the boy into the bathroom to clean him up and furnish him with a set of clear clothes.

Mr. Powers is scheduled for another conversation with the Vice Squad this week and will see the District Attorney next week.

By profession, John Powers is a Physician's Assistant, although he has not been employed for approximately five years. He is a member of the Army Reserve (Unit unknown). His wife's name is [redacted] and they have two children: [redacted]

[redacted] is employed by the Veteran's Administration (as a Dentist?) John's last known employer was also the Veteran's Administration at a hospital in California. Until recently he had been furthering his education at UWM. He is just short of his Master's Degree.

January 23, 1991

Mr. John F. Powers

[Redacted]

Milwaukee, Wisconsin 53219-3202

Dear Mr. Powers:

After careful review, we have decided that your registration with the Boy Scouts of America should be terminated. We are, therefore, compelled to request that you sever any relations that you may have with the Boy Scouts of America. A refund of your registration fee is enclosed.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to refuse registration whenever there is a concern that an individual may not meet the high standards of membership which the BSA seeks to provide for American youth.

If you wish to have this decision reviewed by a BSA Regional review committee, please write to the Regional Director within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be reinstated. The procedures for a review of this decision are attached.

Sincerely yours,

James L. Roberts
