Dear Jerry:

We originally received information from you in April 1990, concerning the above named individual. At that time, it was indicated that there were two counts of child molestation.

We still do not know whether this molestation related to physical or sexual abuse. We would like newspaper clippings or court records that would substantiate that concern.

A statement was indicated that the trial would take place in May. In November, we talked to your office and it was indicated that he had been sentenced to sixty days. We would like newspaper clippings or court records that would substantiate that action.

If you can supply us with the above requested items, we believe we can close this file.

Sincerely,

Wade J. Ernst

Dear Jerry:

I hate to bother you again, but I really would like the outcome of the legal action related to this individual. We had received information from you that he had sexually abused his son.

If you can give us the outcome of the legal action through newspaper clippings or court records, this would complete our file and make certain we could refuse registration anywhere in the country.

Thanks for your help in this matter.

Dear Mr. Theel:

After careful review, we have decided that your registration with the Boy Scouts of America should be denied. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America. A refund of your registration fee is enclosed.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to refuse registration whenever there is a concern that an individual may not meet the high standards of membership which the BSA seeks to provide for American youth.

If you wish to have this decision reviewed by a BSA regional review committee, please write to the regional director within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be reinstated. The procedures for a review of this decision are attached.

Sincerely,

Albin C. Bartlett
Council President
