RE: James G. Parker

Dear Paul:

You wrote me on April 16th regarding James G. Parker. At the present time we do not carry James G. Parker on our registration role and none of our staff are informed as to his whereabouts and his registration.

If you have a current registration on file with the unit number, please send this along for our aid and we will check further. Otherwise, all we can say is there is no problem as far as he is concerned at this time.

Very sincerely,

  
Storrs H. Smith

Dear Storrs:

You may recall the correspondence you and I had approximately a year ago in regard to the above Scouter.

Mr. Parker's registration was approved on a two year probationary basis.

Since one year has elapsed, we would appreciate it if you would be good enough to write us a letter regarding this man's character and leadership performance.

Thanks very much.

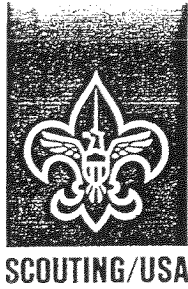

Sincerely,

SUBJECT: James G. Parker

Dear Storrs:

We recently received an application for registration from the above Scouter. This man's name was submitted to us for the Confidential File in May 1961.

Since so much time has elapsed, we will approve his registration as Committeeman of Troop 894 and place him on two years probation. In this way you can observe him and at the end of each year, we will again write you for a report on his character and leadership performance. When the two year probationary period is ended, your report will be the deciding factor in our decision to remove his name from the Confidential File.

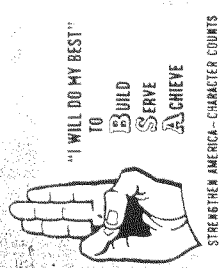

Sincerely,

  
Paul I. Ernst, Director

Dear Mr. Harris:

On September 27, 1960, as per your suggestion, I enrolled in the Training Session for the District Basic Course. I did this in order that I may better teach the boys in the troop that I belonged to at that time.

When I enrolled, I had to pay an enrollment fee of \$1.50 for the course. However, due to circumstances that have taken place since then, I have been unable to take the course. These circumstances were not of my choosing but of B. S. A. council as you are fully aware.

Since I have paid the enrollment fee and can not take the course and since I have not received that for which I paid, I will appreciate it if you will arrange for my enrollment fee of \$1.50 be returned to me. You may have the check sent to my home.

Thanking you in advance for your kind co-operation and consideration in this matter, I remain,

Sincerely Yours,

*James G. Parker*

Dear Mr Clark

June 13, 1960

The enclosed form includes all the information I am able to transmit. I meet a block wall when I request any of it from our scout committee chairman, Mr. Craver. The subject on the form has done a good job avoiding me. I presume you have the rest of the information on your original registration.

I thank you very much for your concern and cooperation in this matter. Hope we see improvement for next year.

By the way, Mr. Lorke brought a friend to register as a committeeman. Did not get his name but Mrs. Devine was not pleased. Said he reeked of alcohol and was not very presentable. Craver said it was up to scout headquarters to screen him. My advice is to turn down an application that comes in dated this week. If I can glean the name I will forward it

Sincerely [REDACTED]
