SUBJECT: JAY W. DEANE

Dear Jere:

Thanks for your letter of March 20, concerning the above named individual. This helped us to know this was the same individual as you had placed on the file in 1988.

We still would not want to register Mr. Deane based on the information which you sent us. We would ask you suspend Mr. Deane from activity in Scouting and, also, delete him from your registration file. He has been deleted from the national file and a credit has been issued which is in our file here and will be sent to you at the time this file is cleared.

Please do not hesitate to contact us if you have further questions.

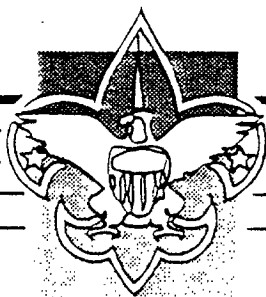

Sincerely,

Paul Ernst, Director

Dear Paul:

In your February 22, 1990 letter you asked that we verify if Jay W. Dean is one and the same person with possible conflicting addresses.

We have determined that this is the same person. The adult application for Jay W. Dean, dated July 17, 1989, the address would seem to read [redacted] The handwriting makes it appear to be [redacted] whereas in reality it is [redacted]

I hope that this satisfactorily answers the concerns.

Thank you very much for your consideration.

Sincerely,

Jere B. Ratcliffe

SUBJECT: JAY W. BEAN

Dear Jere:

We recently received a registration for the above named individual in Troop 31155. We believe this is the same individual that you placed on the confidential file in 1983.

We would like further information to determine the situation related to this individual. We would like the correct street address, since the address you gave us originally and the address that came in on his registration are different, although both are on [REDACTED].

We would, also, like a check done on his birthdate, since you gave us March of 41 on the record sheet and the application indicated May 41.

If this is the same individual, we feel he should not be registered with the Boy Scouts of America, since you placed him on the file so recently.

Please let us know the direction we should go at this time.

Sincerely,

Paul Ernst, Director

Re: Jay Deane

Dear Paul:

We checked with the District Attorney's office on September 26th and were informed that no charges have been filed against the above person due to lack of evidence. However, the Assistant District Attorney stated that they had strong concerns in this matter.

She promised us that they would keep us advised of any further developments and we will, of course, keep you informed.

Dear Jere:

This file is now come to the top of the stack and I wondered if any legal action has taken place which could be added to our file. We will want to have the outcome and any sentencing which is imposed.

The only other material we now need is a paper with Mr. Deane's signature, if you have this available, as this aids in the identification process.

Sincerely,

Paul Ernst, Director

Dear Mr. Deane:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations you may have with the Boy Scouts of America.

You should understand the BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of membership the BSA seeks to provide for American youth.

If you wish to have this decision reviewed, please write to me within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be reinstated.

Sincerely,

Jere B. Ratcliffe
Scout Executive
